

The 1st Batch of Filipino American Youth Leadership Program (FYLPro) during their courtesy call to His Excellency President Benigno Simeon Aquino III at the Malacanang Palace in 2012.

The Search is on for the 2014 Delegates to the Filipino American Youth Leadership Program!

Launched in 2012 as part of Ambassador Jose L. Cuisia's advocacy to reach out to the youth, the FYLPro initiative aims to tap outstanding young Filipino Americans who possess a sincere desire to be engaged in their respective communities and promote the Philippines' further development. The immersive program will afford them the opportunity to meet and dialogue with the highest officials and policy makers in the Philippines, leaders of the industries, legislators, media, artists and cultural experts, entrepreneurs, as well as innovators in different fields.

This year's program will be held in Manila from July 24 to 27, 2014.

In partnership with the Ayala Foundation Inc. (AFI), this year's edition of the FYLPro hopes to continue to attract more Filipino American leaders who will be among the movers and shakers among the emerging generation of Filipino Americans. Much of the participants' expenses, including airfare, accommodations, local transportation, and meals will be shouldered by program sponsors.
